These Pieces were Composed, & the Stops, or Registers, marked, for performance on the Grand Organ of S.t Eustache, Paris, which has Four Manuals & a large Pedal Organ. M. Batiste intimates that as few Instruments possess the resources of the Organ at which he himself presides, these pieces may be adapted to the power, variety & specialities of the particular Instrument on which they are played. The Editor of this Edition has therefore arranged these Compositions for performance on any ordinary Three Manual Organ; at the same time, most of them can, with a little extra management & adroitness, be very well & effectively played on an Organ with Two Manuals of full compass (CC to G in alt) and the customary variety of Registers.

(These Pieces were Composed, & the Stops, or Registers, marked, for performance on the Grand Organ of St. Eustache, Paris, which has Four Manuals & a large Pedal Organ. M. Batiste intimates that as few Instruments possess the resources of the Organ at which he himself presides, these pieces may be adapted to the power, variety & specialities of the particular Instrument on which they are played. The Editor of this Edition has therefore arranged these Compositions for performance on any ordinary Three Manual Organ; at the same time, most of them can, with a little extra management & adroitness, be very well & effectively played on an Organ with Two Manuals of full compass (CC to G in alt) and the customary variety of Registers.)

(These Pieces were Composed, & the Stops, or Registers, marked, for performance on the Grand Organ of S.t Eustache, Paris, which has Four Manuals & a large Pedal Organ. M. Batiste intimates that as few Instruments possess the resources of the Organ at which he himself presides, these pieces may be adapted to the power, variety & specialities of the particular Instrument on which they are played. The Editor of this Edition has therefore arranged these Compositions for performance on any ordinary Three Manual Organ; at the same time, most of them can, with a little extra management & adroitness, be very well & effectively played on an Organ with Two Manuals of full compass (CC to f in alt) and the customary variety of Registers.)

(These Pieces were Composed, & the Stops, or Registers, marked, for performance on the Grand Organ of S.t Eustache, Paris, which has Four Manuals & a large Pedal Organ. M. Batiste intimates that as few Instruments possess the resources of the Organ at which he himself presides, these pieces may be adapted to the power, variety & specialities of the particular Instrument on which they are played. The Editor of this Edition has therefore arranged these Compositions for performance on any ordinary Three Manual Organ; at the same time, most of them can, with a little extra management & adroitness be very well & effectively played on an Organ with Two Manuals of full compass (CC to G in alt) and the customary variety of Registers.)
